

Our proposals

Kidderminster is growing and these proposals for 'Woven Oaks' on land to the east of the town provide an opportunity for well-planned, sustainable growth.

Woven Oaks is a proposal for a new community built around healthy living, green space, local services and strong connections.

Now coming forward as a planning application on land to the north of Comberton Road which is identified in the emerging Wyre Forest District Council Local Plan, the ambition is for a sustainable extension to the east of Kidderminster with key links back into the town while being a distinctive place in its own right.

Including a doctor's surgery, a new community hall, a primary school and extensive green space, Woven Oaks would provide approximately 1,400 new homes within a carefully considered masterplan setting.

It is a solution to meet local housing needs which balances new homes with healthy placemaking principles.

We are now inviting comments on these proposals from the local community.

Have your say

To find out more about the proposals and to submit feedback, please visit our website: www.taylorwimpey.co.uk/WovenOaksKidderminster

We are inviting comments on our proposals from **Thursday 8 July to Thursday 29 July 2021**.

You can view the proposals and submit feedback via an interactive map or questionnaire on our website, making it straightforward to provide comments.

Because of Covid-19, this will be a digital-led consultation and we will not be hosting a public exhibition due to public health guidelines.

If you don't have access to the internet and would prefer to submit comments via a hard copy questionnaire, please contact us.

All feedback provided during the consultation will be considered by our design team ahead of us finalising the proposals and submitting our planning application to Wyre Forest District Council later this year.
